QUESTIONNAIRE

1. In the interest of saving the city money by sharing jointly needed assets, would you support a regional firearm range for use both by citizens and law enforcement in the metro area?

Please answer: Yes or No Yes

2. Many communities, even small ones like Pueblo (<http://www.puebloshooters.org/>) and Greeley (<http://www.greeleygov.com/recreation/GreeleyRecAmenities.aspx>), have public shooting facilities. Believing that responsible firearm owners should routinely practice, what will you do to see that the recreational opportunities for firearm enthusiasts in this community are met as well?

I have already talked with individuals in the county about a shooting facility for both the city and county, and I am willing to look into funding opportunities to create this facility. Safety is job one.

3. Do you believe that public shooting ranges are a benefit to the community? If so how would you support and encourage firearm ranges.

Yes, please see question #2.

4. Do you believe the Second Amendment to the U.S. Constitution affirms every individual's right to keep and bear arms and that the Colorado Constitution reaffirms that right? Please answer: Yes or No

yes

5. Project Safe Neighborhood was intended to aggressively prosecute violent criminals who use guns during the commission of their crime. We feel, however, that this project and others like it have gone beyond their original intent and are being used to harass all gun owners in general. Would you support any program like Project Safe Neighborhood that is used to prosecute offenses involving guns, even if nonviolent? Please answer: Yes or No _____

I believe that education is the key to gun safety. And more money being spent for prosecution is not the answer to firearm understanding and awareness.

6. Do you believe that the Rampart Shooting Range should be re-opened? Please answer: Yes or No yes

I do not agree with limiting my ability to protect myself by limiting magazine capacity.

9. Article IV of the U.S. Constitution says that "Full Faith and Credit shall be given in each State to the public Acts, Records, and Judicial Proceedings of every other State". Would you support a Federal law that requires states to honor concealed carry permits issued by other states? Please answer: Yes or No
___no___

Once again is it the law abiding citizens that pay to obtain their concealed carry permits, and I do not feel that we should have to pay a fee/tax to obtain a concealed carry permit.

13. Some lawsuits have been pursued against firearm manufacturers because of crimes committed with their product. Do you believe a manufacturer should be held liable for illegal activity that occurs using their product? Please answer: Yes or No _____no_____

Can I sue the shoe manufacturer at the same time for allowing the criminal to comfortably commit the crime? I realize this belief paints me into a corner, which I find astounding, but I believe in personal responsibility. We all make decisions every day, and being able to own those decisions and having the freedom to make those decisions is what made us the nation that were are today, but I see that philosophy slowing slipping away.

Imagine you won the lottery and wanted to buy five guns, go for it, maybe they are on sale. I do not support a limit on the number of firearms any one individual may purchase in any specific time period.

19. Do you believe there should be a limit on the number of firearms any one individual may own? Please answer: Yes or No ____ No ____

No way, no how, and never.

C. For purposes of this section, "display" means any opening, or unfolding, manifestation, exhibition, ostentatious showing, or exhibition for effect meant to intimidate, threaten, alarm, or frighten any person.

D. It shall be an affirmative defense that the actor displayed the weapon in self-defense, or to defend another person, or to defend the actor's premises or property. All other applicable State defenses apply. (1968 Code §8-14; Ord. 80-13; Ord. 97-132; Ord. 01-42; Ord. 03-105)

23. In effect, Colorado Springs code allows one to "menace" an aggressor to protect one's self, family, or property. Would you support a change to the Colorado State law that would allow the presentation of a firearm as a less than lethal show of force to protect one's self, family, or property? Please answer: Yes or No ____yes____

24. If offered, would you accept:
____yes____ A PPFC Endorsement ____yes____ A PPFC Contribution to your campaign

25. Any further comments you would like us to consider:

I appreciate the thoroughness of your survey, but I wanted to include a personal message. I have been around guns my whole life. I grew up with them, my parents taught me that they were not a toy and today I am a gun owner myself. There are those in the world who do not always believe in the rule of law, and as such I feel the need to protect myself, independent of our government's public safety role. I will fight for this right my entire life and hope that this survey conveys my thoughts regarding gun ownership. Sincerely, Brandy
